R. C. Drive To Continue

Contributions Go Over 50% Mark; Still Short of $3,000 Drive Goal

Campbell has gone over the 50 per cent mark in the 1950 Red Cross Drive but is still considerably short of the 3000 goal. Joaquin J. Payne, chairman of the Campbell drive, has indicated the campaign will continue for approximately one week more in order to completely canvass the local area.

"Response has been good up to date," remarked Payne. The chairman said that the Red Cross drive has realized about $1700—but reports are incomplete and should be complete by the end of next week.

Volunteer workers are still busy soliciting funds in the local territory. According to Guy E. Farley, some people have been overlooked during the drive. If this is the case, Mr. Farley urges people to bring their contributions to his office. The office of Realtor Farley is Red Cross drive headquarters in Campbell. Farley will be happy to accept your donations at his 251 East Campbell Avenue office.

REPORTS INCOMPLETE

The realtor said that reports are still incomplete and have been a little slow coming into drive headquarters. However, Payne and Farley voiced confidence in local residents and are inclined to believe the drive will easily go over the top.

If anyone has been overlooked by canvassers, he is requested to take his donation to Farley's office or contact one of the volunteer solicitors.

DRIVE SOLICITORS

Committee members in the Campbell area are Chairman Payne, Fred Jones Sr., Henry Jewell, D. H. Cramer, Laurance J. Hill, Louis Carboni, A. E. Brydon, and Mrs. Ethel Lanphear.

Mary Fablinger, John Duncan, Mrs. Clarence Fagalde, Mrs. Ruth Brown and Guy Farley. In the Cambrian area, solicitors are Mrs. Fred Luhring, Mrs. Genevieve Helmbold, Mrs. Frances Lenz, Mrs. Dick Mayer, C. P. Klassen, Mrs. J. D. Cantoni, Mrs. Percy Lovejoy.

E. R. Kennedy, Mrs. William Wadsworth, Mrs. C. E. Williams, Mrs. Milton S. Robertson, Mrs. June Strong, Mr. N. Nanassy, Mrs. A. B. Givens, Mrs. E. F. Ballott, Mrs. Ruth Livingston, Mrs. R. Golden, Mrs. William Means, Mrs. D. W. Ribble, Mrs. Everett, J. F. Levenberg, Mr. W. W. Johnson and Mrs. John G. Mehren. Campbell PTA members are also doing their part in this important function.

The drive started Wednesday, March 1, in Campbell.

Campbell Kiwanis, Hear Accordionist, Minister Speak

A musical program by an outstanding accordion artist and a semi-serious talk on the importance that man attaches to himself were on the entertainment agenda when the Campbell Kiwanis Club convened Tuesday.

Accordionist Artie Hartman, who has played in entertainment centers in this country and South and Central America, gave an exhibition of his outstanding technique in handling the keyboard instrument. He put special emphasis on his own interpretation of how the base notes can best be played.

At the present time, Mr. Hartman is engaged in religious activities with the Baptist Church in San Jose as are Rev. Johnson and Rev. Saunders of the same church, who attended the meeting with the accordionist.

Rev. Johnson presented a few semi-humorous remarks on man and his relative size in this vast universe. "Man is but a speck of dust in this universe, but look how important we think we are," remarked Johnson. The actual value of man is infinitesmal; however, the soul of man is immeasurable, Rev. Johnson concluded.

Visitors in addition to the aforementioned trio were George Krebs of Los Gatos and Frank Weltz of Campbell High School. High school guest of the club was Dudley Herschback, who was introduced by R. E. Noddin. The student is making an outstanding record in school and in various activities.

Chairman of Tuesday's affair was C. P. Klassen with William C. Henley presiding over the meeting. The Campbell club will play host to the Mountain View Kiwanis next week and will supply the program for the visitors.

Five Census Workers To Begin Tabulation Work In Campbell April 3

Five enumerators will begin calling on Campbell residents April 3 to collect data for the decennial U. S. census. Richard G. Martin of Los Gatos will direct the Campbell and Santa Clara townships enumerators for the census counts.

Martin said the enumerators must complete coverage of the town by April 15. Paul D. Bean is district director for the five counties in this area and has his main offices at San Jose.

Examinations were conducted by Bean's office on Monday and Tuesday for applicants for work as enumerators. Results of the exams will be screened for final selection of the workers. Those chosen will be notified of their selection on or about March 24, Martin stated. During the week prior to opening of the actual census work, the enumerators will attend a week-long instruction course.

Information collected in the census serves many useful purposes, Martin explained in urging local householders to give census workers their full cooperation. Among the purposes of the decenniel count are: apportionment of representation in Congress and other legislative bodies, measurement of markets and purchasing power of communities and their inhabitants, allotment of certain federal and state tax revenues and other financial aid to cities, determination of future needs for public utilities and services, and other useful purposes too numerous to mention, said the local director.

Accuracy and completeness of the census for Campbell will determine its population rank among the other communities of the country.

Legion Patrol Fund Climbs To Total Of $466.25

Campbell Volunteer Legion Patrol funds climbed to $446.25 this week with receipt of contributions from 14 more residents and businessmen. Latest donations came from: Mrs. John Triguerio, L. Kerr, John R. Lynden, Mrs. Eva Banks, Peter Cristich, Justin F. Barker, Leah M. Johnson, R. Lyle Ray, Mrs. McGlency, San Tomas Market, Stephen S. Ridgeley Sr., B. A. Miller, Pundita Circle and the Campbell Press.

The fund for purchase of gasoline, car upkeep and equipment for this volunteer law enforcement group still has a long way to go before adequate provision for an entire year can be envisioned. Everyone is urged to contribute toward this volunteer patrol which already has proved of great value in curbing potential lawless influences within the community, and in its work in conjunction with county law enforcement agencies. The patrol has bee deputized by Couty Sheriff Howard Hornbuckle, who recently praised the group for the fine job it is doing in Campbell.

Legion Post Sets Up Radio Station To Send Messages

Campbell Post 596 of the American Legion has announced another service for the people of this community.

Those persons in this community wishing to send an emergency message to a member of their immediate family or serviceman overseas may do so by contacting John Forrest Meikle. The address is chairman, Amateur Radio Committee, Campbell Post 596 of the American Legion, ..1008 Stevens Court; phone Campbell 2679.

Messages may be sent to all parts of the world and usually reach their destination in a short time. Weather condtions may cause a slight delay, but generally speaking results are quickly obtained. The network is in operation six nights a week and more if the conditions necessitate such, and the staff is willing at any time to be of service to the community, state and nation.

In preparing an emergency message, people are urged to be sure it is of an emergency nature and is clearly written. This measure insures quick transmission by the station operator.

Antique Shop Opened Here

Helen K. Atkinson, formerly of Los Gatos, has opened a new shop in Campbell, "Far and Near Antiques," at 13 San Jose-Los Gatos Road. The antique shop will feature many fine collectors' items, as well as lamps and decorative accessories, china and colored glass.

Visitors are invited to drop in and become acquainted, and to make known their needs in the antiques line.

Membership Awards Presented Legion By District Commander H. J. Newman

Thirteenth District Commander Herman J. Newman of the American Legion presented three awards to Campbell American Legion Post 596 in ceremonies during the post meeting Wednesday night. County Legion Council Commander Clay Sheets was on hand for the presentation.

Awards were for the post's membership achievements during the past year. The first was for having its quota of members by last November 11; the second, for surpassing its membership quota of last year, and the third, for surpassing its four year average. With reference to the latter award, legionnaires learned that only one percent of the district posts haveachieved this goal.

Program of entertainment for the evening was provided by a Los Gatos hyptonist, who gave highly interesting demonstrations of his art.

Next Wednesday, March 22, the post, the Women's Auxiliary and guests of the two groups will put on a whist card party as part of the regular meeting.

Post 596 will join with Campbell Rotary and other civic groups in erecting signs at either end of Campbell Avenue. The signs will bear insignia and meeting dates of each group, including American Legion, Rotary, Kiwanis, Chamber of Commerce and Junior Chamber of Commerce.

Plans for another public whist party are in the discussion stage for legion members who are expected to set the date within the near future. Meanwhile, the post is laying plans for its annual Memorial Day program in May.

W. V. Hospital Site Selection Meeting To Be March 22

Meeting of the West Valley Hospital District Board of Directors, originally called for this week, was postponed until March 22, according to Board Chairman Herbert M. Shadle.

Purpose of the meeting is to make a definite choice of a site for the future tri-community hospital. In the meantime sites in the area of Vasona Junction are being seriously considered by the Board of Directors. Factors governing the final choice will be proximity to utilites and the main sewage trunk line of Sanitary District Four. Sites should not exceed 10 acres in size.

Money necessary for construction of the hospital is available in the county auditor's office, according to Shadle. This money has been collected by a direct tax on the district of 8.3 cents per $100 assessed valuation placed on tax bills for the last period. Shadle stated that "We asked for $25,000 for use this year in the budget and, although I don't believe the sum will amount to quite that amount, it would be sufficient to purchase the property we select."

He added that following a conference with County Planning Commission Secretary last week he could see no possibility of difficulties which would hinder obtaining a use permit for the hospital.

BUILDING PERMITS

R. L. Terrant, home for self, Lot 8, Union Avenue, $10,000.

C. E. Jorgensen, three homes for self, Lots 3, 4 and 5, Bercaw Lane, $24,000.

Pentecostal Church, church for self, Railway Avenue, Campbell, $16,000.

ROTARY CLUB SECOND ANNIVERSARY CELEBRATED AT DINNER GATHERING

Second anniversary of the organization of Campbell Rotary Club was fittingly observed Monday night at a dinner attended by members, their wives and guests in the library clubrooms. Campbell Union High School a cappella choir, under direction of Frank Triena, provided a musical program which was augmented by the fine performance of Beverly Clausen, violinist, accompanied by Sharon Clare.

Each lady was greeted at the door by the committee for the evening and was presented a baby orchid corsage.

Rotary Club President Forrest Reese presided at the dinner and program. Ladies of the Congregational Church prepared and served a delicious ham dinner. The Rev. Corwin Olds said Grace.

Reese gave an interesting talk on "What Rotary Means To Me." John Owens, president of the Santa Rotary Club which sponosored the local unit, congratulated the Campbell club on its achievements to date.

Miss Clausen played violin selections by Kreisler, "Rondino," and Monti, "Czardas."

Program by the choir included "O' Rejoice Ye Christians, Loudly," Bach; "Ride the Chariot," arr. Smith; "Smoke Gets In Your Eyes," Kern; "Almighty God of Our Fathers," James, and "The Lord Bless You and Keep You," Lutkin. As an encore, the choir sang Triena's special arrangement of "The Lord's Prayer."

Messrs and Mesdames Frank Accardi, James Brand, Cliff Cassiday, Henry Congable, Les Harmon, Fred Jones, I. O. McConnell, Corwin Olds, Tony Raffanti, Harry Redicker, David Rutherford, Mario Saia, Frederic Snyder, Ben Strong and Bob Wade.

WE HAVE 'EM! SAUCERS, THAT IS!

Now Campbell has them! Flying saucers or flying cups or something. Something in the sky that excited imaginations and wasn't seen before. Did anyone else see them? Around 10 o'clock Thursday morning residents of the high school area sighted several queer round silvery objects high in the sky going at a terrific rate of speed. Inspection by binoculars failed to reveal any more details, and the strange objects disappeared into the wild blue yonder without revealing any more about their shape, power motive or destination.

But they were seen, and well—if everyone else has them, we can too! Let it not be said that Campbell lacks anything that anyone else has.

Local Fire District To Hold Election For Commissioner

One Fire Commissioner will be elected when the Campbell Fire District holds election April 3 at the Campbell fire house.

Polls will be open at 1 p.m. and will close at 6 in the evening. The Board of Fire Commissioners is urging local residents to turn out in large numbers for the election.

The new Fire Commissioner will serve for a period of three years.

Running for the post is Edward C. Merrill, present incumbent, whose term expires in April. Other commissioners include Fred E. Jones, Sr., with two years yet to run and Ethan Lanphear, one year.

Department Chief Robert Murray To Attend VFW Post Organization

Signup of veterans for the new Veterans of Foreign Wars Post in Campbell has exceeded expectations during the past week, and the organizational meeting, originally scheduled to be held at the home of one of the organizing committee members, will be held instead at the library building tonight, Friday, March 17, at 8 o'clock.

Those veterans planning to attend are requested to take along their discharge or other papers showing their eligibilty, by reason of overseas service. The meeting will be opened to veterans' wives, sisters, mothers and daughters in anticipation that a women's auxiliary will be formed soon after institution of the VFW post.

KIDS FORMATION

Department Chief of Staff Robert Murray will be present to provide information necessary to establishment of the local post, to answer questions relative to eligibility and to expedite such paper work as may be involved. Murray recently organized a large post in South San Francisco, Junipero Serra Post, and plans to devote all attention to the local organization.

Upon approval of a charter for a post, the selection of its name must be made. The name may be that of a deceased person, veteran or not; of a place or of something of special significance to the members. Those present at tonight's meeting will consider possible names for the new post.

Members of the organizing committee, who have been interviewing veterans during the past week, have expressed pleasure with the reception given them in their visits. They have urged all those eligible veterans who have not been contacted to attend the meeting tonight in the library.

CAMPBELL IN SECOND PLACE

To date, Campbell is the second highest of valley communities in the current Red Cross drive. Mt. Hamilton rates first in the list of community standings on percentage goal achievement to date.

Union District To Start Fund Raising Drive For Center

Union School District is without a meeting place for its Boy and Cub Scouts, Girl Scouts and 4-H Clubs. Adult civic groups, such as the Mothers' Club, Dads' Club, and the Union-Cambrian, Loma Vista and the Union Improvement Clubs —all of which give valuable service to the community—are likewise without meeting facilities.

There are no organizations financially able to alleviate this detrimental condition, which is affecting the youth organizations in the rapidly growing Union community as to actually limit their membership and activities.

For the aforementioned reasons, the community has decided to build a youth center or community building. The proposed structure would be sufficient to handle the requirements of all youth and adult organizations.

The building complete with kitchen, storage and adequate rest rooms, will be erected on the Union School grounds, and will be owned and operated by the Union School District. Estimated cost of the center is $3000, which must be raised by public subscription.

To raise sufficient funds, $500 in prizes will be given away thru the sale of award tickets. Tickets sell for 50 cents each, or $4.50 for a book of 10 tickets. Many special surprises are in store for fortunate winners. F. H. Skeels is chairman of the committee.

Central-Monroe Avenue Extension To Offset Area Blocking By Route 5

Second Drive-In Theater Request Denied By Board

Frank DiNapoli's request for rezoning of property at the southeast corner of San Jose-Los Gatos Road and Hamilton Avenue to permit erection of a drive-in theater was denied by the County Planning Commission Wednesday following an extensive hearing of pro and con arguments. In brief, the planners said the drive-in would creat unnecessary traffic hazards and would also impair residential property values in the area, particularly those on Ridgely Drive.

DEVALUATION

Anglo-California National Bank and the State Division of Highways joined residents who opposed DiNapoli's plans. The bank, represented by C. H. Moellering, said it holds mortgages on many of the houses near the proposed theater site, and the property values would suffer loss if the drive-in were permitted.

A letter from the Highway Division stated San Jose-Los Gatos Road is one of the most heavily-traveled two-lane highways in the area, and listed numerous accidents which have occurred at the Hamilton Avenue intersection.

Residents' protests cited the above property devaluation, traffic hazards, noise, nuisance and bright lights.

Jaycees Meet With Los Gatos

Members of the Campbell Junior Chamber of Commerce met Wednesday evening with the Los Gatos Junior Chamber of Commerce for a combined business meeting. Conducting the Campbell session was President Ken Roberts.

Martin S. Walsh, Campbell attorney, presented a movie on a recent trip to Florida, Havana, Cuba, the Carolinas, Niagara Falls and Washington, D. C.

A report on membership was given by Don Gracier, membership chairman, who also outlined plans for the forthcoming membership drive.

Master Plan Access Route Revealed In Recreation Center Hearing

An important provision in the county's master plan for street and roadway development was revealed Wednesday at the County Planning Commission's first public hearing of a petition to rezone property on Stevens Creek Road. Paul A Dailey, secretary of San Jose Aerie 8, Fraternal Order of Eagles, asked rezoning of acreage on the south side of Stevens Creek Road, about 400 feet east of Baywood Avenue, to permit construction of a clubhouse and picnic grounds for the aerie.

In reviewing the tentative plans submitted by Dailey, the board heard Nestor Barrett, director-secretary of the commission, propose a survey of the site to determine whether it lies in the path of the master plan extension of Monroe Street in Santa Clara. Barrett said Monroe Street will be extended in a direct line to connect with Central Avenue in Campbell, and would provide an 80 feet wide direct connection with this area. This roadway, with access to other streets and areas areas along its entire length, would offset the closed off Route Five free way which would otherwise block direct connection with this section of the county.

Dailey outlined plans for a $75,000 Eagles recreation center, including an L-shaped clubhouse 136 feet long by 110 feet wide at the long end, and forty feet wide at the top of the L. Recreation rooms, offices, kitchen, meeting rooms and auxiliary rooms would be included in the building. In addition, surrounding property would be developed for picnic areas, barbecue pits, bowling alley and a swimming pool, to be used in the lodge's youth welfare program.

Aerie plans may be revised if the Monroe Street extension interfered with the tentative layout. Second public hearing will be on April 19.

In addition to the Dailey request, planners heard petition of Steve Dorcich for revision of the use permit covering operation of the Santa Clara County Humane Society Animal Shelter on Stevens Creek Road. Dorcich told planners he has a client who wants to purchase the building and convert it to an apartment house. The building is for sale, but Commissioners informed him no alterations are permitted under the use permit, and denied the request.

Hill, Accardi And Jones Named On C of C Committee

Laurance J. Hill, Frank Accardi and Fred Jones were named Wednesday evening to serve as a nominating committee to name candidates for the coming year in the Campbell Chamber of Commerce. The nominating committee report will be given at the April meeting with new officers taking over in May.

A short business meeting was held and the financial report of Old Settlers' Day was made by William Henley, general chairman showing a substantial margin of profit. First showing of the Old Settlers' Day moving pictures was also made. This film, a 16mm, is now available to civic groups and organizations wishing it for showing.

The tendered resignation of Forrest Reese, secretary, was not accepted by the Chamber of Commerce. The resignation of Fred Jones, director, was accepted upon his plea of ill health and pressure of business, and Homer Hyde was named in his place.

Driver Injured In Crash Here

George Junior Blanchard, 28, of 183 Foss Avenue, San Jose, has suffered minor injuries in a head-on collision with another car at 12:25 a.m. today. The accident occurred at the intersection of Campbell and Dillon Avenues.

California Highway Patrolmen Doug Daly and Francis De Vries reported Issaac Koop Reimer, 34, of 1194 Sherman Street, Santa Clara, was making a left turn when his car and that of Blanchard collided. Blanchard was taken to Emergency Aid Station, San Jose.

Mrs. Henry Parysek Elected President At Campbell Garden Club Annual Tea

Pink and white camellias in the form of a huge birthday cake decorated the tea table for the third annual birthday tea and election of officers of the Campbell Garden Club Wednesday afternoon. Three birthday candles topped the floral cake. Individual cakes, each topped with candles, were passed to members and their guests at the tea which was held in the clubroom of the library building. Mrs. Harold Peck and Mrs. J. D. Cantoni presided at the tea table.

WILD FLOWERS

During the program Mrs. Ray Prince introduced Miss Frances Deittrick of San Jose who exhibited color films of California wild flowers in Santa Clara Valley and of wild flowers in the vicinity of Mount Baker. Mrs. G. K. Schrader showed color slides of the garden show which the club sponsored last August 31.

Mrs. I. W. Snow of Los Gatos, membership chairman of the Audubon Society of Santa Clara County, extended an invitation to the club members to join the society. Next meeting of the Audubon group will be on April 10 at 7:45 p.m. in room 10 at San Jose State College.

THE COMMITTEE

Mrs. Henry Binley introduced the tea and program committee for the day. They were: Mesdames William Ostermeier, co-chairman with Mrs. Binley, Leonora Austin, L. J. Levenberg, George Kolze, Ray Prince, Raymond David, Lloyd Brown and Mitchell Lobrovich.

Guests introduced were: Mesdames A. Bykowski, William J. Wadsworth, Edwin Berg, F. B. Fossum and Glen Edick.

Mrs. Henry Parysek was elected to serve as president of the club for the 1950-51 year. Her fellow officers will be: Mesdames Ray Fish, vice-president; Norman Corvello, recording secretary; Frank Johnson, corresponding secretary; Peter Heinzen, treasurer; John Perata, historian, and G. K. Schrader, auditor.

IN APPRECIATION

Outgoing president Mrs. J. D. Cantoni presented the club with a new history book. In behalf of the Garden Club Mrs. Harold Peck, founder of the organization, presented Mrs. Cantoni with a book on flower arrangement in appreciation of Mrs. Cantoni's work during the year.

Club history for the year 1949-50 was read by Mrs. C. H. Davidson, historian.

Mrs. C. F. Helmbold and the James Nursery received the appreciative thanks of the members for donating the camellia birthday cake.

TREE PLANTING

Plenty of the Kwanzan cherry trees are available for planting, Mrs. C. D. Wilson, chairman of the tree planting committee reported. She urged members to endeavor to interest their neighbors and friends in planting one or more of the blossoming trees during coming weeks. Those interested in seeing the trees in blossom will be afforded that opportunity in about two weeks, she said. She mentioned trees which have been planted at the corner of Hamilton and Hicks Avenues and which are expected to blossom soon.

An original poem on the club's cherry tree planting project was read by Mrs. L. J. Barber, the garden club poet. The poem follows:

"I am thinking of 'my' new
new project,
Of course, it is your project, too,
For I have planted my cherry
tree.
Can I say the same for you
"We surely are thinking alike
on this,
That Campbell is one fine town;
So, get busy and ask your
neighbor
To help make Campbell renown.
"If you cannot find space on
your parking,
In your yard you'll have room
no doubt.
Then you can boast to one
and all
You did your share and helped
to make
Campbell 'Blossom Out'."

Mrs. Cantoni presided at the business meeting during which the club voted to donate $10 to the current Red Cross drive. Next meeting of the group will be on Wednesday, March 29, instead of the regular meeting date of April 5, in order that members may attend the annual tea of the Campbell Women's Service Club.

JERRY WAYMIRE, BILL McCALISTER and DICK MILLS are taking part in a play entitled "King John and the Abbott" being presented by Mr. Wilson's sixth grade at the San Tomas School.

Neophytes Join Job's Daughters At Bethel Rites

Amidst shamrocks and a St. Patrick's atmosphere, 11 girls were initiated into Bethel 174, International Order of Job's Daughters, last Saturday.

Those initiated into the order were Myrtle Hertrick, Mary Lou Smith, Marianne Swanson, Elizabeth Ribble, Marilyn Graham, Judy Woodward, Susan Perry, Arlene Weiss, Carol Vowles, Leseth Hinz, and Alice Lassen.

All of the old members welcomed the new girls and then the audience was entertained by Miss Patti Saunders playing a medley of Irish songs on her marimba. Miss Janet Ellingson played a violin solo and "The Mousetrap Serenade" as an encore.

Paper Rolling

Sunday morning some of the girls gathered at Janet Coombs' to roll paper. Those helping were Donna Horne, Virginia Ensminger, Judy Woodward, Darlene Campbell, Janet Coombs, Marilyn Graham, Connie Coombs, Katherine Jones, Pat Hitchman, Betty Lou Peterson, Louella Rice, Elizabeth Ribble, Alice Lassen, Nancy Rowland, Karine Stanik, Claire McFaul, Noreen French, Jeanne Currie, Mrs. Ervin, Mrs. Jones, Mr. and Mrs. Campbell, Mrs. Currie, and Mr. and Mrs. Coombs. After the girls finished rolling paper they ate lunch together and attended a movie.

Next meeting will be on March 25, which will be an advance officers' meeting. Each one of the line officers will advance one station, with Miss Patti Saunders, past Honored Queen of Bethel 174, filling the station of marshal.

On April 8 Bethel 174 will entertain Bethel 169, Los Altos, at a joint meeting and potluck dinner. Both corps of officers will be in their respective stations and will conduct a meeting.

April 17 is the next date circled on the calendar for the girls: the ritualistic rites of the order will be exemplified on that date for Los Gatos Chapter, Order of the Eastern Star.

Mrs. Frank Blair Is Hostess To Her Church Group

Group One of the Congregational Church Women's Guild met at the home of Mrs. Frank Blair, San Jose-Los Gatos Road, Thursday afternoon of last week. Cohostesses were Mrs. C. E. Williams and Mrs. D. B. Pressler.

April meeting of the group will be at the home of Mrs. Margaret Parr, Harrison Avenue, at 2 p.m.

Junior Class Tops Magazine Sales With $3,313.60

With the final total of $3,313.60, the junior class at Campbell High surpassed last year's juniors by over $1000 in magazine subscriptions sales held during the past two weeks.

Pauline Cleveland was high salesman, and she will receive the white gold wrist watch for selling $220.90 worth of subscriptions. Mary Lou Cline was second and received a pen and pencil set. Mary Lou sold $201.90 worth of subscriptions.

Mr. Kenneth Wallace's sixth period English class took first place by bringing in $926.85. Next in line was Mr. Dean Chamberlin's third period English class, and third was Miss Lois Gardner's English class.

The commission the junior class receives is slightly over $1000. Part of this money will go for the Junior-Senior Prom this spring, and toward sneak day next year.

Students winning "Oscars" for salesmanship, which means sixty dollars or more to their credit are: Pauline Cleveland, Mary Lou Cline, Mike Chieki, Louise Kanemoto, Jane Ann Pavley, Katherine Jones, Louella Rice, May Gyatoku, Alex Stepovich, Jackie Alameda, Tommy Takata, Gilda Mazzanti, Saul Estrada, Bob Saia, Jack Bray, Amy Nakagawa, and Sumio Fujimura.

Mrs. Goodell recently underwent a second operation at O'Connor Hospital. She expects to remain in the hospital for two more weeks. Club members are urging friends to send notes to cheer the patient.

Mrs. Allinger Is New President Of Paradiso Council

Mrs. R. L. Allinger of Moreland Elementary School was elected the president of El Paradiso Council, Parent Teacher Association, when the group met Friday, March 10, at Los Gatos Elementary School.

Other officers elected were Mrs. G. D. Robertson, Campbell High, vice-president; Mrs. J. E. McAlinden, Los Gatos Elementary, secretary; Mrs. Joseph Ostle, Louise Van Meter school, financial secretary; Mrs. I. L. Kaufmann, Campbell Grammar school, treasurer; Mr. Paul Madsen, Los Gatos High, auditor, and Mrs. R. W. Martin, San Tomas Elementary, historian.

After the election, Mrs. T. R. Derby, Los Gatos Elementary, was chosen to attend the Speech Correction and Guidance Conference in Palo Alto on Saturday, March 25.

Dinner tickets for the annual district convention to be held April 10 at Scottish Rite auditorium, San Jose, were distributed to unit presidents. Tickets or the money must be turned over to Mrs. C. E. Fagalde by April 1.

On the business agenda, the council contributed $10 to the C. C. P. T. Overseas Aid Project and also agreed to finance the Mothersingers at the state convention in Santa Cruz.

A recent luncheon held by El Paradiso group took place at St. Luke's Parish Hall. Guest at the affair included Mrs. H. C. Grimes, vice-president of the sixth district. One of the highlights of the luncheon was when Mrs. G. D. Robertson, chairman of the sixth district national headquarters project, measured waist lines. She assessed one cent an inch and forwarded the revenue to national headquarters.

Following the luncheon, unit presidents made their annual reports. Mrs. C. E. Fagalde, presided at the gathering.

Auxiliary To Initiate New Members March 22

Initiatory ceremonies will be held Wednesday evening, March 22, by the American Legion Auxiliary for new members entering the organization. The meeting will be held in the new meeting place in the Country Women's library hall.

Other business for the evening will include the second reading of the new by-laws.

Miss Joyce Price Opens Dance Studio Branch

Miss Joyce Price has announced the opening of a Campbell branch of the Five Star Studio of Dancing. She will give instructions to both children and adults at the branch center, 170 Bland Avenue. Classes have been started in character, acrobatics, ballet and toe dancing, in microphone technique and voice.

Class sessions are held weekday and Saturday afternoons. Further information may be obtained by phoning Campbell 2456.

Beginners and advanced pupils, children and adults are being accepted for enrollment.

Miss Price has studied dancing since she was five years old. Professionally she has danced at the Casa del Rey, Santa Cruz. Last night she appeared at a performance at Roosevelt Junior High School for benefit of the blind.

The young woman recently completed two months of study in the main Five Star studio in San Jose where she was under the tutelage of Marie Mortenson, director of stage and radio for the school.

She will dance again in the studio's modern musical comedy review to be given April 12 at the Roosevelt Junior High auditorium.

Mrs. Jim Enyart, 43 So. First Street, has had as her guest for two weeks her daughter, Mrs. M. Kelley of Wichita, Kansas. Last Sunday the two were joined by Mrs. Enyart's other daughters Mrs Albert Miranda and Mrs. Ben Thompson and children of Madera, and Mrs. William Herbert of Oakdale. Mr. Herbert was also present.

MRS. WILLIAM BURCH observed her birthday Friday, March 17.

WILLIAM HENLEY was a guest speaker Thursday evening at the Santa Clara County Trustees' School meeting in the Abraham Lincoln High in San Jose. Henley spoke on Bus Routing problems.

Miss Ruth Arlene Johnson Weds Verne B. Towner Jr. In Double Ring Ceremony Held In San Jose

Miss Ruth Arlene Johnson, a graduate of Campbell High School, exchanged nuptial vows with Verne Bennet Towner Jr. in ceremonies held recently in St. Francis Episcopal Church in San Jose.

Rev. Bertram B. Bliel read the ceremony for the double ring service. Holly and red berries formed the altar decorations.

The new Mrs. Towner is the daughter of Mrs. Alice Johnson of San Jose and the late Winslow B. Johnson. After graduating from Campbell High, the young bride attended San Jose State College. A brother, Winslow B. Johnson, resides in Berkeley.

BENEDICT'S PARENTS

Parents of the benedict are Mr. and Mrs. Verne B. Towner Sr. of San Jose. The bridegroom graduated from San Jose High School and was a student at San Jose State College. His only brother is Thomas G. Towner of San Jose.

For the wedding ceremony, the bride chose a ballerina length frock of imported French lavender lace over ice blue satin. She completed her attire with a lavender satin hat, pearl necklace and complemented her ensemble with a corsage of purple orchids.

The matron of honor, Mrs. Ronald Lee Menter, was dressed in a gown of lace over dusty rose satin accented by black accessories and a white orchid corsage. Best man duties were performed by Ronald L. Menter.

MOTHER OF BRIDE

Mother of the bride wore a navy blue suit with a white carnation and bouvardia corsage for the wedding.

The young newlyweds departed for a honeymoon journey which will include Los Angeles, Catalina Island and Mexico on their travel agenda. They will establish their home in San Jose following the honeymoon trip.

MRS. CAROLE BARBER, 4th grade teacher of the Campbell Grammar school staff has resigned. Also resigning from the Moorpark teaching staff was MISS MARGARET GREER, who became the bride of James Dowling at recent ceremonies.

'Home Beautiful' Speech On Agenda For Country Club

"Home Beautiful" will be the topic when Mrs. Winifred Jecker of the Santa Clara County Agricultural Extension Department addresses the Country Women's Club of Campbell at their Monday, Mar. 20, meeting. Starting time for the event is 2:30 p.m. in the library clubrooms.

Mrs. C. P. Klassen heads the committee for the program. She will be assisted by Mesdames Oliver Jensen, Emil Kollmer, I. R. Abott, R. G. Archibald and George Leigh.

Local Teacher On Langauge Panel

Mrs. Barbara Edwards of the Campbell Union High School faculty will be a member for the morning panel discussion when foreign language teachers convene tomorrow on the Stanford University campus. Problems of teaching foreign languages in the high school will be considered by the panel of language teachers.

During the afternoon the representatives will consider plans for revising foreign language teaching programs in universities and colleges. The 30 representatives expected to attend tomorrow's conference will take recommendations back to their local councils on foreign language teacher education.

Death Of Mrs. Bertha Page Closes Local History Of A Pioneer Family

Private funeral services were conducted Saturday from the Rutherford Funeral Home, Campbell, for Mrs. Bertha Phelps Page, 79, who passed away in Palo Alto on March 8.

For many years Mrs. Page and her husband, the late George Washington Page, were leaders in the development of the town of Campbell. She was born in Galena, Ohio, on July 21, 1870, the daughter of Virgil and Emeline Williams. Educated in Galena and at the State Normal School, she later taught in the secondary schools in Barbeton, Ohio, and Lincoln and Herman, Nebraska.

Bertha Phelps Williams came to California and Campbell in 1895, and she was married to George W. Page in San Jose on October 23 of that year. Mr. and Mrs. Page lived for many years in their home on Santa Clara-Los Gatos road, which Mrs. Page sold after her husband's death in 1941. Since that time she had lived in San Jose and in Palo Alto with a daughter, Mrs. Frederick Enzminger.

WOMAN TRUSTEE

Mrs. Page was the first woman elected to serve as a trustee of the Campbell School District. It was largely through her efforts that the bond issue providing for building of the predecessor to the present grammar school, was passed by the voters.

Besides her endeavors as trustee, Mrs. Page's activities included membership in the Country Woman's Club of Campbell, Campbell Garden Club and Pundita Circle. She served as president of the latter for one year.

Mrs. Page also was a member of the Past President's Association of the Federated Women's Club of Santa Clara County and of the County Federation of Women's Clubs.

CHILDREN

She was the mother of Mrs. Emery Cleaves of New York City, N. Y.; Mrs. Frederick Enzminger of Palo Alto and Earl V. Page of San Francisco; and grandmother of Miss Jeanne Marie Kerwin of Hollywood.

Only members of the family and a few of Mrs. Page's most intimate friends were present for the funeral services. The pallbearers, all of them old friends, were Kenneth Peake of Saratoga, F. C. Malkmes of San Jose, Frederick Enzminger of Palo Alto, Ray Fish, Louis J. Carboni and Robert Scholz, all of Campbell.

Interment was at the family plot in Los Gatos Cemetery, where Mrs. Page was laid to rest beside her husband.

MR. PAGE

Mr. Page, who came to California in 1889, began his career in this area by working in the orchards. Shortly thereafter he became foreman for R. D. Shaw. That fall he took charge of the Fleming warehouses where he remained for a year, then started his independent career as an orchardist by purchasing five acres on San Jose-Los Gatos Road. Later, his mother and brother, C. R. Page, came to California and his mother became interested with him in the orchard. Mr. Page and his brother also bought the old Lovelady estate of 40 acres on the Los Gatos-Santa Clara Road, and here Mr. Page developed a fine orchard.

The Page family were members of the Methodist Church and Mr. Page was one of the trustees. He possessed much ability as an engineer and was regarded as an authority on irrigation and flood control. Through his efforts an excellent irrigation system was combined and developed to take care of a vast acreage for orchardists in and around Campbell. In addition he built Page Dam on Los Gatos Creek at Casey Road.

Crash Victims Ask $79,949 For Hurts

Damages totaling $76,949.67 for injuries sustained in San Jose-Los Gatos Road auto accidents were asked by plaintiffs in two suits now on file in Superior Court.

Grace Heidlinger is suing Luke J. Schiro for $50,000 for injuries she suffered February 23 in a crash on the San Jose-Los Gatos Road. Representing the plaintiff are Attorneys James F. Boccardo and David S. Lull.

In the other complaint, Edith Main Butler has asked for $26,949.67 for hurts sustained Wednesday, March 15. The suit states that she was riding in a car with defendant James Napolitano when the auto ran off the road near Chapman Drive and overturned.

She charges Napolitano was responsible for the accident, because he drove the vehicle in a figure "S" motion down the San Jose-Los Gatos road compelling it to leave the road. Attorney Forrest L. Bentzien is representing the plaintiff.

Suits Ask $250,000 For Deaths Of Two Campbell Women

Damages amounting to $250,000 for the death of two Campbell women have been asked by plaintiffs in suits filed in Superior Court Wednesday, March 8. These women were struck down and killed while walking along the highway.

Ray H. Brannon of Campbell and his children, Leroy, 18; Francis Jean, 14; Joyce A. 12; Janice M., 10, and Judy Brannon, 3, have asked $150,000 from Douglas Valentine Strong, Campbell, for the death of their wife and mother, Zelma Brannon, 38. The Campbell resident was fatally injured when she was hit by Strong's car February 26 on San Jose-Los Gatos Road near Hamilton Avenue.

In a companion suit, Ira Pierce has filed complaint on behalf of his children, Ronald, 11; Patricia, 9, and Marvin Pierce, 7, against Strong for the death of their wife and mother, Gladys Pierce, 31. She was killed when walking with Mrs. Brannon. Pierce asks $100,000.

Representing the plaintiffs are Attorneys James F. Boccardo and David S. Lull.

Case Of Missing Coffin Solved By Patrolman Locke

The case of the missing coffin has been solved, and without the assistance of that peerless sleuth Sam Spade.

It seems the coffin mysteriously disappeared February 4, from the Campbell Theater, where Magician Ben Toussaint of San Jose was staging a "horror" show. The coffin was displayed in front of the theater to advertise the act in which "a woman was to be burned alive in the coffin".

Somehow the coffin was placed on the front lawn of Los Gatos High School after the disappearance act from the Campbell Theater. The item was placed in the basement of the school but Campbell Policeman Robert Locke heard reports on the whereabouts of the missing box.

His search led him to the school basement, where Locke found the coffin shoved into a closet which is infrequently opened. The janitor informed the Campbell policeman that he saw the coffin there a few weeks ago, and it "scared" him. For some unknown reason, the janitor did not inform the police of his findings.

Locke has ended the mystery of the missing coffin. And as for Mr. Toussaint, he has his coffin back and can continue his "burning act." The files on the "coffin caper" have been closed.

Grass Fires

Santa Clara County Central Fire District equipment responded to a grass fire alarm at Wedgewood Avenue Thursday at 3:47 p.m. Three pieces of equipment, an engine, a tanker and a pickup truck responded.

County firemen led by Assistant Chief Ralph Caccamo were called out Wednesday to 665 Eisenhower Drive where a group of boys had set fire to a field in efforts to burn out a wily gopher. The gopher eluded them and so did the fire which consumed a 30-square foot area of field grass.

Demonstrations on Grafting To Start In Valley Tuesday

The first Agricultural Extension Service grafting demonstrations for the general public will be held next Tuesday and Thursday followed by similar demonstrations throughout the county during the next few weeks.

Purpose of the demonstrations is to acquaint growers and others interested in theo latest information on grafting. The Bart Martini orchard on Story Road will be the scene of the initial demonstration to be conducted Tuesday at 9:30 a.m. Martini's orchard is located approximately 200 yards east of Capitol Avenue at mail box 299 in East San Jose.

On Thursday, March 23, demonstrations will start at 1:30 p.m. at the Jeff Parrish ranch on Day Road. Interested people can find the Parrish ranch 1.6 miles south of Watsonville Road, southwest of Morgan Hill.

In the event of rain, the demonstrations will be postponed one week. County Director L. C. Barnard is in charge of the events.

Propose Plan To Eliminate Added State Tax Burden

"If the legislature would limit its action to the state budget as proposed by the governor and decision on a formula for distribution of the state school fund, there would be no need for additional state taxes," the executive committee of California Taxpayers' Association said Wednesday.

"By so limiting legislative action, the people of California would be saved from threatened heavier burdens for state taxes, which will be inevitable if the legislature adopts any of the special legislation proposed. Any special appropriations or relaxations in laws carry the threat of higher state taxes.

People's Mandate

"Loosening of the relatives' responsibility clause for aid to the needy aged and blind would be in defiance of the mandate of the people when Proposition No. 2 was adopted by a 400,000 majority last November," the taxpayers' association declared. "Any liberalization will further increase tax costs.

"Elimination of county sharing in the financing of aid to the aged and blind would greatly increase costs. The first impact would be on the state treasury, but the total bill would fall on all the people.

"The child care center problem was decided by the 1949 legislature, when it provided that state financing end in June, 1950. Continuance of these war-emergency facilities is now a problem of the local communities where they may be needed.

"State costs for public schools are already skyrocketing because of increased enrollments, together with the heavy costs which the state must carry on the $250,000,000 bond issue passed in 1949 for 'impoverished' school districts. A formula for distributing the present $120 per pupil fund needs to be adopted, but any further 'sweetening' of local school situations should be financed locally."

Youths Sentenced In Los Gatos For Disturbing Peace

Judge A. E. Merrill of Los Gatos passed sentence Friday, March 10, on seven Campbell youths who pleaded guilty to charges of disturbing the peace.

Charges were the aftermath of a fight on the morning of February 25 in which the Campbell youths beat up several Los Gatos boys after forcing their auto to the curb on North Santa Cruz Avenue.

Jolly Jones, 20, and Clarence Kerby, 20, were fined $50 each and given 10-day sentences in the county jail. Darrell Hughes, 19, was fined $50 and sentenced to four days in jail, while Donald Hughes, 20, and Harold Hughes, 18, were each fined $25. Eunice Pierce and Fred Viles were given $50 fines apiece.

Before passing sentence, Judge Merrill said that he had carefully considered the sentences in relation to the part that each of the offenders had played in the affair. He went on to state in his opinion they were not all equally guilty.

Campbell Tennis Team In Shutout Win Over SJ High

Campbell High School's tennis squad whitewashed San Jose High 5-0 on the local courts Monday afternoon.

The defeat marked the first interscholastic loss for the Bulldogs. Matches were originally scheduled for San Jose, but the matches were moved to the Campbell playing site.

Single encounters found M. Yamate of Campbell downing Boyd Faulk by a 3-6, 6-3, 6-3 margin; Dave Baxter of the Buc team taking the measure of Ernie George, 6-1 and 6l4; and Bill Cockey defeated Rod Brezina of the Bulldogs, 7-5 and 6-0.

In the doubles, Campbell's Herschbach-Taylor duo drubbed the Caldwell-Lowe combination by a 6-0, 6-1 score. The locals concluded the day with another victory as Campbell-Shanrack stroked their way to a 6-3, 6-0 triumph over Freitas and Kawakami of the visitors.

Visiting Grangers Initiate 16 Into Orchard City Group

A first and second degree initiation was performed by the degree team of Mt. Hamilton Grange on Tuesday when the Orchard City Grange met in the Campbell IOOF Hall.

The group was composed of men who were dressed as farmers with, blue jeans and work shirts. Sixteen candidates were initiated into the Grange organization.

At the meeting, the state highway commission reported that funds are not available at the present time for widening the 101 Highway from San Jose to Gilroy. For the first five-year period, Santa Clara County has already received more than its quota for highway construction allowed by the Collier-Burns Highway Act.

BABY PIG

An unexpected stunt was performed before the Grange gathering. Richard Farnham, representing the Future Farmer Chapter of Campbell High School, brought a little pig to the meeting. The student wheeled the animal around the Grange hall in a baby buggy, which advertised June 27, 1950, as the date when a large hog is to be given away. Proceeds are to benefit the Orchard City Grange building fund.

The meeting was attended by some 150 persons, who enjoyed the true Irish shamrock style decorations in honor of St. Patricks' Day. Mrs. Angelica Brandt was responsible for the colorful decorations.

H. E. CLUB

Mrs. Anna Sawyer's home was the scene of the Tuesday meeting of the Home Economics group with 25 members attending. The next meeting will take place April 14 at the home of Mrs. Leone Keesling.

Refreshment committee members at the Orchard City affair Tuesday were Mrs. Katherine Shadle, Mrs. Bessie Merrill, Mrs. C. C. Byrnes and Mrs. T. A. Robinson.

Widow Of Local Orchardist Passes

Mrs. Grace Hamilton Thornton, 91, widow of a Campbell orchardist, was laid to rest Thursday afternoon at Oak Hill Memorial Park.

A resident of Santa Clara County for 40 years, Mrs. Thornton passed away Monday at the home of a daughter, Mrs. R. A. Shoemaker, Tulare. She was a native of South Wayne, Wisconsin.

Funeral services were conducted in San Jose followed by interment at Oak Hill. The long-time valley resident was the widow of J. H. Thornton.

Mrs. Thornton is survived by daughters, Mrs. Ada Bell, Independence, California; Emma Thornton, Roseville; sons, Ray Thornton, Bakersfield; Irwin Thornton, San Jose; Thomas G. Thornton, Campbell; Jerome Thornton, Independence; four grandchildren and two great-grandchildren.

Best way to spruce up a telephone is with a soft, dry cloth... never with water, or any other liquid.

HOW TO TREAT YOUR TELEPHONE

Suggestions to help protect your service

1. A twisted cord can lead to trouble. Although the wires are especially designed for flexibility, too many twists and kinks may eventually break them and interfere with service until a repairman can call. Good idea to get the curls out by letting the receiver dangle and unwind by itself . . . then keep them out by remembering, each time you call, not to put turns in the cord as you handle the receiver.

2. It's built to take it . . . but your telephone can develop ailments if it's dropped. So make sure the stand it sits on is solid and is in a spot where it won't be accidentally bumped. Other ways to help protect service: Avoid "gadget" attachments for your telephone . . . keep cords clear of doorways where they may be pinched . . . and always keep water away from wires and fittings.

3. Did you ever stop to think that your telephone is one service or piece of equipment in your home that's repaired and maintained for life at no extra cost to you? This maintenance is one of the values included in the rates you pay for service . . . rates that make it one of your really good buys today.

Your telephone is one of today's best bargains

Cupertino VFW Post Sets Forum Date For March 23 At Fremont Auditorium

Veterans of Foreign Wars and the United World Federalists are expected to air their views on the latter organization and its aim at a public meeting arranged by VFW Post 9803 of Cupertino and to be held next Thusrday, March 23, at 8 p.m. in the Fremont High School auditorium. The public is invited.

F. E. McDonald Jr., chairman of the post's Un-American activities committee, who made arrangements for the program, announced that the speaker who will present the VFW side of the picture will be Myron C. Fagan.

This meeting, which has been awaited since publication of letters from the VFW and the UWF in the February 9 issue of this paper, is expected to draw a large attendance of pro and con for both sides, as well as many others who seek the facts on the issue.

McDonald, who announced the meeting plans on Tuesday of this week, said he had sent off a letter to the Palo Alto World Federalist group inviting them to send a speaker for the occasion. The letter was mailed on Tuesday, he said. The head of the speakers' committee for the Palo Alto World Federalist group, Mr. Donald MacLachlan, told this paper on Tuesday night that he has been awaiting such an invitation, but none had been received to date.

He expressed interest when told of the plans, and said his UWF chapter will welcome this opportunity to present its views to the meeting. Speaker for the UWF will be announced when the invitation is received, he said.

Meanwhile, McDonald said invitations to other officials in the area have been extended, including representatives of the department VFW command, American Legion, school officials and fraternal groups. McDonald will emcee the meeting. Asked if there will be a question period after the prepared speeches are delivered, he said it is possible that time will not permit it. "We have too many other speakers scheduled," he said, listing VFW Department Commander William J. Harry and Adjutant Quartermaster Hermann, both of Sa Francisco.

Fagan has charged the World Federalists and United Nations are in the hands of Communists. Veterans of Foreign Wars have voiced similar charges against UWF.

KLAN ASSOCIATE

Fagan is national director of the "Cinema Educational Guild" and is currently in the bay area to fulfill other speaking engagements. Among numerous reports of his activities was that published in the October 18, 1949, issue of the Christian Science Monitor. Staff correspondent Kimmis Hendrick of the Monitor wrote, "Mr. Fagan claims that his associates and supporters include Gerald L. K. Smith, famed anti-Semitist, and Dr. Wesley Swift, who has identified himself in public testimony as connected with the Ku Klux Klan."

MacLachlan stated Tuesday that Fagan's attacks on the UN and the UWF have served a worthwhile purpose in one sense, since they have aroused an interest in national and international affairs in many persons who, otherwise, would never have felt a desire to know the facts. He expressed hope that adequate time for questions from the audience will be provided by those in charge.

The meeting grew out of the letter exchange, printed in this paper February 9, in which the World Federalists, answering the charges of the VFW, offered to present the facts to the post and to the community.

Saratoga Boy Scout Troop 49 will sponsor a movie and talent show this Friday and Saturday at the Saratoga Theater. Boys of the troop are shown above in a tumbling act which will be part of their show.

Legionnaires Lack Formal Application For Lot Zoning

Formal application for the spot zoning of the American Legion lot on Latimer Avenue has not yet been made, according to a member of the Santa Clara County Planning Commission Friday afternoon.

At present, zoning of the lot is for a one-family residence which does not allow for the erection of a Legion hall. Application for an R-4 spot zoning, which includes apartment houses, is under advisement, according to members of the Campbell Legion Post. It is hoped by Post officers and members of the building committee that ground will be broken for the building within the next year.

As to reports that David Rutherford is interested in obtaining similar zoning for the corner lot for the erection of a mortuary, the spokesman for the planning commission stated that a mortuary and a Legion hall are not in the same classification. Rutherford would require either a C-1, light commercial with restrictions, or a C-2, heavy commercial zoning.

WE SALUTE
OUR INSURANCE MEN!
The man who "writes you up" for insurance is one of the most human of all salesmen. He deals in human nature. He must keep a myriad of facts and figures at his finger tips. He must be persistent, persuasive, and personable. The sincere Insurance Man offers you something you owe to yourself and your family. He insures your life, with ample protection for your loved ones. He insures your home, your car, your personal possession. He sells accident insurance and, ofttimes, special kinds of protection covering other personal or business assets. You're doing *yourself*, not him, a favor when you buy well-planned insurance. Consider him one of your most *needed* friends!

Everyone Urged To Join In Festivities For Big March 25 Event In Saratoga

As final arrangements were made this week for the Saratoga Blossom-Time Festival and Chip-In Day to be held Saturday, March 25, committee members sent out a call to all residents to prepare their donations of white elephants for the booths, and for the town's many culinary artists to plan their contributions of baked and cooked foods, and preserves for the popular food booths.

NEED FOOD DONATIONS

Food booths have proved the most important of the concessions for the annual town celebration, and their stock has sold out hours ahead of the festival's close. This year, more food donations are needed — cakes, pies, cookies, breads, stuffed eggs, hot dishes, cold dishes, jams, jellies, preserves, everything in the food line is needed and plenty of it. The more donations the better, says food chairman Jaynes D. Mayer who has made plans to set up a receiving center at the empty store section, formerly occupied by the pet shop, on Los Gatos Road next to Hoefler's bakery. The door will be open until noon on the day of the celebration. Those who wish to do so may leave their food donations there or, if more convenient, they may be delivered to Wildwood Park directly, where members of the committee will receive them.

WHITE ELEPHANTS

As for the white eelphants, Chairman Freda Dose suggests this is a fine time to combine spring cleaning and participation in Chip-In day. Rummage, white elephants, snow shoes, water wings or what have you, are needed. Every resident is offered this opportunity to clear away unneeded or outgrown knick knacks from his home. Take them to the same store, where the food will be collected on Chip-In Day. It will be open most of the time from now on; if not, the key is at the Harless Moser real estate office two doors down the street. Call Mrs. Dose, AX 6-4602, if white elephant must be picked up by the committee.

PIONEERS

Names of Saratogans whose ancestors came to California before 1853 are being collected by Historical Division Chairman Florence R. Cunningham. This information will be appreciated by Miss Cunningham, who is planning the historical exhibit for the day. Drop her a card at Route 1, Box 25, or phone Saratoga 3512.

Program for the day will open at 10:30 a.m. in the town plaza at the intersection of Los Gatos Road and Big Basin Way. There Joseph R. Knowland, chairman of the California Centennials Commission, will dedicate an historical plaque.

PARADE

Immediately after these ceremonies the parade for children and adults will start from the grammar school grounds on Oak Street, travel down to Los Gatos Road, thence to Big Basin Way, where it will turn to march up to Wildwood Park.

COMMUNITY PICNIC

From noon until 2 p.m., will be lunch time. Everyone is invited to buy his lunch at the grounds and to participate in the community picnic. At 2:30 p.m., the pageant will begin, followed at 3:30 p.m. by folk dancing. After the close of the program there will be general dancing on the large floor in the park.

Other events during the day will be the historical exhibit at the Harless Moser real estate office. Miss Cunningham has announced an additional item for this show. This will be a miniature scene with an electric railway car, mounted in a glass case.

Invitations are to be sent out to county and other officials to participate in the days events. Miss Mary Hourecan will register pioneer settlers of this area.

PHONE WORKERS

Mrs. Owen L. Winston and a committee of 16 women have taken on the tremendous task of contacting all residents listed in the phone book, to ask for donations of food for the concessions division, and to invite them to attend the festival.

At their meeting Mnday night, committee members voted to take out rain insurance in addition to their regular liability insurance coverage for the day.

FRESH SANDWICHES

Bread for sandwiches to be sold at Wildwood Park will be delivered on the morning of March 25, and the food committee will prepare the sandwiches for delivery to the park. J. D. Mayer said Ralph Weaver Butane Service has donated and will install a free tank of butane for operation of the coffee urn.

Cakes for the sale may be left at the former pet shop in town, and will be transported to the park in time for the sale shortly after noon.

Judges will present awards to winners in the parade costume divisions.

For safety's sake, the parade will not include either horseback riding units or individuals. This stand was taken by the committee Monday night, in view of the carelessness and lack of control of their mounts by some youngsters in last year's parade. The lack of responsibility shown by some of the riders last year has made it necessary to bar horses from the parade this time. Spectators along the line of march as well as those in the park must not be endangered ed the committee ruled.

Executive Outlines Exploring Program To Boy Scouts

Field Executive Bill Wadsworth outlined the new Exploring program of the Boy Scouts of America Wednesday night at Horace Mann School in San Jose for over 100 Explorers, Boy Scouts and Leaders.

Similar meetings will be held Tuesday, March 21, at Woodrow Wilson Jr. High and March 22 at the Sunnyvale School. Other gatherings have been held in Campbell, Gilroy and Los Gatos districts.

"Exploring," Wadsworth stated at the meeting, "offers the young man of today a program of exploration in life's problems, vocational opportunities, social contacts and community responsibilities." In addition, specialized training in seamanship or aviation can be obtained through membership in Explorer Posts, Ships and Squadrons, or even in Boy Scout Troops.

All young men 14 years of age, or older, whether Boy Scouts or not, may become Explorers, explained Wadsworth. The field executive will accompany District Commissioner Ferrin Burgess, Sunnyvale; District Training Chairman Donald McGlashan, Gilroy; and Commissioner H. M. Taylor of the L.D.S. Church to an Explorer's Instructor's Course in Berkeley this Saturday and Sunday.

School Week Stresses Parent Participation

Representative California organizations have been among the first to offer their support to aid in the observance of the 31st Annual Public Schools Week, April 24th through 29th. Chairman George D. Gavin of San Francisco, of the state committee, has announced. Mrs. Patricia Luhr, president of the California Congress of Parents and Teachers, Inc., said:

"The 31st Annual Public Schools Week provides a personal opportunity for parents and citizens to observe the democratic practices that are a part of classroom work in the schools of California."

Mrs. Luhr urged all parents to visit the schools in their community during public schools week to observe first-hand the work of "The Public School — Democracy in Action."

The Public Schools Week observance also has been endorsed by the California Department of the American Legion, the California State Federation of Labor, the California Medical Association and other groups.

Camp Fire Girls Visit Mouse Farm

The Luta group of Camp Fire Girls recently visited the mouse farm in San Jose, which is operated by Mr. and Mrs. W. W. Griggs.

Mice are raised on the farm for research on cancer, polio, influenza, and psitticosis. Mr. and Mrs. Griggs have found that white mice are not blind as formerly believed. At the present time, they have 3,500 breeders and ship mice every Sunday to all parts of the world.

Girl Scouts learned that all mice that live to be nine months old become cancerous. These cancerous mice are then shipped to various university cancer research laboratories for study. Studies have disclosed that cancer is not contagious from mice to humans and that cancer is hereditary to the mice.

The girls were entertained Wednesday, March 8, by Margaret Farley at a birthday party. After refreshments were served, the group was taken to radio station KEEN for "Happy Time Hour." All the girls and their leader, Mrs. Floyd Nolff, participated in the program.

Public Invited To Attend St. Lucy's Parish Card Party

Campbell High School gym will be the scene of the St. Lucy's Parish St. Patrick's card party to be held Saturday evening, March 25, starting at 8 o'clock.

The "welcome mat" has been placed out for the public. Fred Smith is chairman of the affair, which is under the joint sponsorship of St. Lucy's Evening Guild, St. Lucy's Women's Club, St. Lucy's Men's Club

On the agenda for the evening will be surprise events, refreshments and all the ingredients that add up to an enjoyable card party.

CAMP FIRE GIRLS

This week the Camp Fire Girls of America will celebrate their 40th birthday. You may see many girls wearing their Camp Fire uniforms.

With the years, they are growing better in many ways. In the years to come, we all know they will grow stronger in population and in the good way of America.

They teach the people to work and play with other races and animals. On Friday, March 17, they will start selling delicious mints, so buy generously.

Advisor of the Oa-Wa-Kya group in Campbell is Mrs. C. D. Baxter. —By CAROL HANSEN.

Kites To Soar At San Tomas School Contest Sunday

Kite flying enthusiasts have their fingers crossed in hopes of a clear, but windy Sunday afternoon, March 19, when Kite Day is held, starting at 2:30 p.m. in the San Tomas school yard.

The event is being conducted by the San Tomas school Parent-Teacher Association. Winners in the various divisions will be awarded red, white and blue ribbons.

Sponsors of the event are looking forward to seeing the skies over San Tomas school filled with home-made kites Sunday afternoon. Funds derived from refreshment sales at Kite Day will be used to send a San Tomas Boy Scout to Valley Forge July 4 for the National Jamboree.

The library fund at San Tomas school also will be aided by the Parent-Teacher Association event.

Buc Baseball Nine Opens 1950 Season By Downing Paly

Campbell High's baseball team pried the lid off the 1950 season Friday afternoon, March 10, with a 2-0 triumph over Palo Alto on the Vikings' diamond.

The winners got off to an early lead in the initial frame with a run as Buz Freitas tripled and came home on an outfield fly by Nick Tersigni. Campbell closed the scoring in the sixth canto when Bob Burow walked, advanced on an infield out and tallied on Frank Calabray's single.

Winning pitcher was Frank Lobrovich. He was relieved by Ronnie Bacon in the fifth, and John Oldham took over after the sixth inning for the Bucs.

Austrian Students To Give Concert Of Native Music, Folk Dances

A concert of Austrian music, folk songs and dances will be given this Sunday evening at 8 o'clock in Roosevelt Jr. High School Auditorium, San Jose, by a group of 30 Austrian university students under sponsorship of the Adult Education department of the San Jose Unified School District.

Yodeling, a harp solo and songs and dances from the Tyrolian Alps and Salzburg to legendary Vienna will be presented in a series of scenes of merry Austria.

On Concert Tour

These young people, carefully picked from university students and graduates from all over Austria, have appeared at colleges across the United States since last November. Previous programs have been given at Harvard, Yale, Stanford and the University of California, in addition to many more universities in this country. The group will make its final appearance at the San Francisco Opera House the night following their San Jose show.

Their expenses over and back are being paid by the AMT FUER STUDENTENWANDERUNGEN a non-commercial, nonpolitical student league founded in Vienna after the First World War by Dr. Oscar F. Bock, lecturer at the University of Vienna, for aid rendered Austrian students by their American and British colleagues. Purpose of the tour is, on the one hand, to learn American ways of life and educational methods, and, on the other hand, to acquaint Americans with Austrian culture and folk lore and to win for Austria the friendship and understanding of the people of the United States.

Leader of the student group is Suzanne Polsterer, 23, who was expelled from school for speaking out against Hitler. After the last war she went back to the University of Vienna and earned her Ph.D. in less than four years.

Another of the girls is a war widow and most of the boys are veterans of Hitler's Wehrmacht.

The lovely costumes which they wear have been loaned to them for this concert tour by Austrian provincial museums.

Yodeler

Youngest member of the group is 19-year-old Vroni Stoekel, who yodels beautifully. She comes from the Tyrol.

Dances will include Landlers, Rheinlanders, and the humorous and colorful Schuhplattler which is well konwn to anyone who has lived in Austria or Barvaria in southern Germany.

These students have appeared on 35 radio and nine television shows to date, one of these latter being a TV show emanating from San Francisco.

Tickets for the program are available at the Folk Shop, 1 Oak Place, Saratoga, or the Adult Center in San Jose.

Future Farmers Official Speaks

Cupertino Grange met on Friday, March 10, for its regular semi-monthly meeting, with Worthy Master Dwight F. Sheffer presiding. Master Effie Spencer of Almaden Grange was escorted to the seat of honor after which two new members were given the degrees in short form by Mr. Sheffer. They were Mr. and Mrs. Warren Holt.

A St. Patrick's Day theme was the feature of the evening with a very good Irish program on the lecturer's hour and an Irish motif in the dining room during the refreshment period. The lecturer's program, presented by Fred Wood, included songs by Effie Spencer, "The Little Irish Girl," "That Old Irish Mother of Mine," and "The Old Shillelagh", accompanied by Helene Ames on the piano; "Story of St. Patrick," told by Amy Bean; poem, "A Toast to the Irish" by "Pat O'Shaunessey" alias Marian Wallin, and piano solos by Martha Lou McAllister, "Rose of Tralee," "St. Patrick's Day," "I'll Take You Home Again Kathleen" and "When Irish Eyes are Smiling". Everyone sang the chorus of the last.

After this, Grangers heard a talk on the Future Farmers of America by Joe King, a national vice-president of that organization. King was introduced by Brother Ed Jauch of the Fremont High School faculty. King is traveling through the country speaking before interested groups concerning the FFA, which was organized to help make better farm boys and better Americans of the members. King complimented the National group for work done for U. S. farmers and spoke very highly of National Master Albert Goss, saying that all grangers should be proud of him.

In the attendance contest the red team of Dwight Sheffer continued to hold a slight lead, according to Lecturer Frederick Wood.

During the business session, Earl Sorenson reported for the public roads committee and suggested that something should be done about the dangerous intersection of McClellan and Saratoga-Sunnyvale Roads. The matter was turned over to the committee to present to the County Board of Supervisors for possible action. Other members of this committee are Lester Breeding, chairman, and John Corp.

Howard Paige reported for the poultry committee and Ernest Angelo for the sales slip committee. Ruth Blair reported for the Home Economics Club and announced that it will have a fried chicken dinner at the IOOF Hall on Friday, April 28, at 6:30 p.m. Tickets for this dinner are now on sale by members of the grange.

A resolution from the Kern County Chamber of Commerce, opposing the removal of the Tehachapi Women's prison from its present site, was read by Secretary George Loyst and was turned over to the legislative committee for further study.

Visitors from other granges were Robert and Effie Spencer of Almaden; Hoddy and Lula Bell King, Mary Hagen, Kate Smith, and Edith Hinkle of San Jose, and Effie Eaton, Katie Sutton and Vena Butler of Sunnyvale. Refreshments were served by Earl and Dorothy Sorenson, Howard and Verna Paige and George and Helene Ames. The next meeting will be held on Friday, March 24, when the (famous)? Or-chest-tra will entertain.

Van Meter PTA Plans Rummage Sale In Los Gatos

A rummage sale, sponsored by the Louise Van Meter Parent-Teacher Association of Los Gatos, will be held at the J. & N. Motors, 291 E. Main St., Los Gatos, Friday, March 17, from 9:30 a.m. to 5 p.m.

The P.T.A. has been working for several months on a big project—the raising of funds to be used for the purchase of playground equipment for the school. A book sale in February, and a rummage sale, of which this is a continuation, have netted approximately half the amount needed. With the cooperation of the community, and the school board, the group feels confident the balance will not be hard to raise.

Moreland District Bond Proposal

Moreland School District has approved a $40,000 bond proposal by a vote of 115 to 20, reports Mrs. Gussie Baker, school principal. Voting was held Friday, March 10, at Moreland School.

Mrs. Baker said that Moreland district may now qualify for State aid to distressed schools. Moreland is now eligible to borrow funds under proposition No. 1.

Bonds, plus state aid money, will be used to construct classrooms. In addition to extra classrooms, the school needs furniture for proposed new rooms, cafeteria equipment, a bus garage and playground apparatus.

If financing through the bond issue is inadequate, application will have to be made for additional State funds. Election officials were J. E. Wiesendanger, inspector, and Mrs. Dorothy E. S. Harp, and Mrs. Marion A. Pankoski, judges.

Los Gatans Hurt In Stevens Creek Road Auto Crash

A two-car crash on Stevens Creek Road just west of Santa Clara-Saratoga Road Wednesday, March 8, brought minor injuries to Therese Hallert, 36, and George A. Davis, 66, both of Los Gatos.

Miss Hallert was a passenger in a car driven by Thomas J. Artis, 49, of 1455 McKendrie Street, San Jose. Highway Patrol officers said Davis was attempting a U-turn in the highway when the accident occurred.

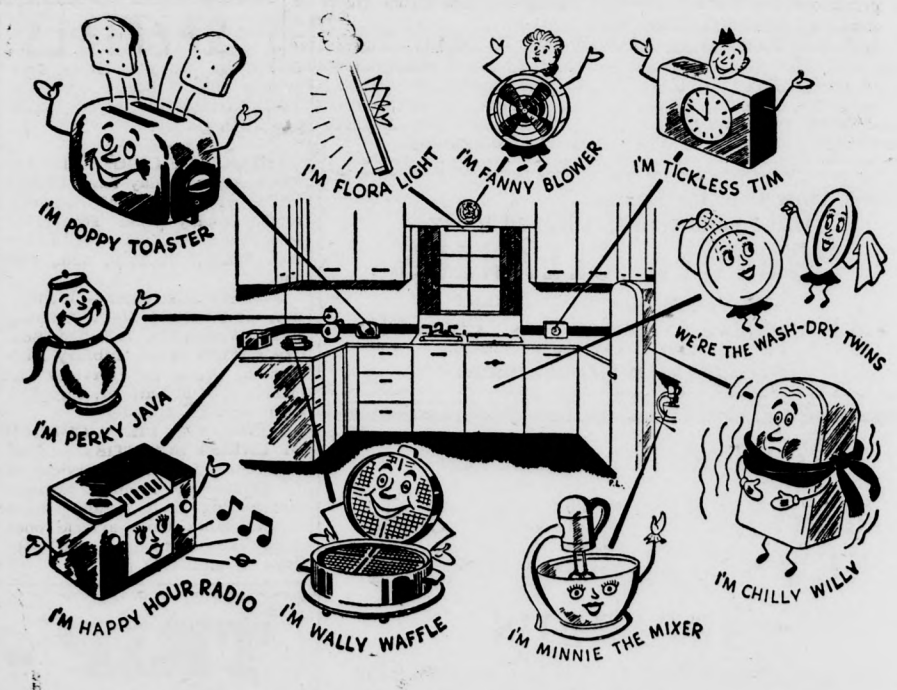
"We work for pennies a day!"



Wired help in your kitchen

Young homemakers of today can get a complete dinner on the table, from salad to dessert, in about half the time it took Mother twenty years ago. Of course, Mother did her work by hand, while Daughter has a staff of electric servants helping her. Low cost electricity, for example, runs a mixer for three hours for less than a penny. And the electric dishwasher washes and dries a daily quota of dishes for just a fraction more. Do you work in a brightly lighted kitchen, with the air swept clean of cooking fumes and completely staffed with wired help? Thousands of happy housewives save time and energy in an electric kitchen. Why not you?

One of the bright spots for electric appliance sales in the Nation is your part of California, where practically all of the homes and farms are wired for electricity. And serving you here are nearly 2,300 friendly and helpful electric appliance dealers.

Low electric rates mean good business for the electric dealers in your community. Last year, retail dealers sold 93,000 refrigerators, 73,000 washers, 30,000 vacuum cleaners, 11,000 home freezers, and 10,000 ironers in Northern and Central California.

LIVING COSTS UP

It takes many more dollars to buy what your family needs today. Living costs in San Francisco, for example, are now more than 51% higher than in 1923 and 87% higher than in 1933.

ELECTRIC COSTS DOWN

Despite the rising cost of living, the price of electricity has gone down and down. NINE major rate reductions made by this company since 1923—the latest in 1946—have cut the cost of household electricity more than 50%.

POPULAR RECORDS

Do you feel a rhythmic beat in your dancing feet? Do the throbbing strains of an exciting dance tune start a tingle in your shoes? Do you want music that has a definite rhythm and a catchy melody; music that sets your foot to tapping? Have you searched long and often in vain for really good dance records?

"Invitation to the dance" galore are to be found in a new series of albums, each containing music by a favorite composer and played by some of the top dance bands in the country. The fifteen albums in this "DESIGN FOR DANCING" contain a musical cavalcade of practically all the tunes on America's All Time Hit Parade. Obviously there is not room in this column to go into all fifteen albums but I do want to tell you of the three I liked the best.

RALPH FLANAGAN PLAYS ROGER AND HAMMERSTEIN (Victor P-268). Flanagan plays these familiar songs in his own distinctive style with plenty of rhythmic drive. Selections included are the top tunes from South Pacific and Oklahoma.

WAYNE KING PLAYS JOHANN STRAUSS (Victor P-270). Here is proof that Wayne King is rightly known as the Waltz King. His waltzes are gossamer dreamy creation, gently romantic but with a rhythm that urges you to waltz. Strauss played by Wayne King becomes mellow and nostalgic rather than the more familiar lilting Viennese style. Nevertheless Strauss is still Strauss so what more need be said?

Bedlam's bandmaster brings back the wacky '20s in SPIKE JONES PLAYS THE CHARLSTON (Victor P-277). In my younger days I could shake a wicked hoof doing the Charleston and this collection brings back many grand memories. Spike plays the music straight with only a few of the zany effects that have become his trademark.

CHILDREN'S RECORDS

SHHhhhh... BANG! (Young People's Record 704) is adapted form the book by the same name by Margaret Brown. The story is not particularly interesting but it offers excellent practice in contrasting intensities of sound—a basic element in musical training.

CLASSICAL MUSIC

Cultivating the art of musicianly listening is one of the greatest joys of the record collector. It is only through records that we can make ideal conditions for listening. With records we can choose the music we wish to hear, the time and place, alone or with companions. By elimination of outside detractions and intense concentration it is possible to reach the inner spirit or core of the music. This method of listening makes possible the fullest enjoyment and gives the richest experience. However it is well to remember that great music, if listened to properly, is a considerable drain on our emotional and intellectual resources and if continued too long at a time we tend to become arid.

Last Sunday evening in the quiet of our mountain home and with most congenial friends, we spent several hours listening to contemporary music. The two selections that gave us the fullest enjoyment were . . . VILLA-LOBOS: UIRAPURU, a symphonic poem (Columbia ML 4255) and BARTOK: CONCERTO FOR ORCHESTRA (London LA 91).

Villa Lobos is one of the most original and exciting musicians of the day. His use of basically simple folk melodies, individual style of orchestration, sharply contrasting moods, shifting intricate rhythms give us music that is strong, virile and progressive. Efrem Kurtz conducts the Philharmonic Symphony Orchestra of New York in a warm and sympathetic reading of UIRAPURU. Technically, this is one of the best of the Columbia long playing records.

The Bartok: CONCERTO FOR ORCHESTRA is a most unusual and interesting musical structure. We are so used to thinking of a concerto as the contrasting of a single solo instrument against a large orchestral mass that we can't help but wonder just what a Concerto for Orchestra might be. Bartok has taken the various instrumental departments of the orchestra and exploited the contrast obtainable in volume and tonal quality. Bartok's music shows that rare combination of unerring instinct and impeccable musical logic, it is deeply emotional and still technically perfect. The recording by the Concertgebouw Orchestra of Amsterdam, conducted by Eduard Van Beinum is excellent in both the 78 rpm and long-playing versions.

DAV Tag Saves Set Of Keys For Campbell Man

The Disabled American Veterans has returned a set of lost keys to Dale Dixon of Campbell. Attached to the keys was a DAV Idento-Tag, miniature license tag for key rings, which is distributed to 30,000,000 motorists each year and the replica of their state license plates enables the DAV to return 5,000 keys a month from its national headquarters in Cincinnati.

In addition to key loss insurance, the Idento—Tag through contributions enables the DAV to maintain its free rehabilitation services for disabled veterans and their dependants.

Home Duties For Children Topic Of Moorpark Talk

"Children's Home Responsibilities" was the topic for a panel discussion at the Tuesday afternoon meeting of the Moorpark Parent-Teacher Association at the Moorpark School. Panel members included a mother, Mrs. Leonard Meritt; a father, Frank Young; moderator, Mrs. Robert Berry and two sixth grade students, Nancy Davis and Ronald Smith.

Brought out in the discussion was the approval of both parents and children that the children should have certain home duties. A number of every day duties at home were stated to be non-paying with a child receiving the award of pride and a job well done, rather than financial reimbursement. Pros and cons of children's allowances were also discussed.

Selections were given by the Moorpark School orchestra under direction of Jack Barrett. The new visual and hearing testing equipment for the school was demonstrated by Mrs. Fred Garrett, school nurse. A project-o-chart machine is used to determine sight defects and an audiometer aids the detection of hearing deficiency.

Mrs. Jack Flourney, Red Cross chairman, stated that a total of $77.25 was collected during the recent Red Cross drive in the immediate Moorpark area. Assisting Mrs. Flourney were Mrs. V. W. Brown, Mrs. M. Winfrey, Mrs. C. V. Alger, and Mrs. H. G. Findley.

Other business of the meeting included the election of new officers for the coming year with Mrs. Howard Womer being elected as new president. Other officers include Mrs. Jerry Ginney, vice-president; Mrs. W. J. Raab, secretary; Mrs. John Abero, treasurer; Mrs. W. H. Walker, historian; Mrs. Eugen Andres, parliamentarian and John Duncan, auditor.

Study group chairman, Mrs. O. A. De Benedetto, anounced another showing of the film, "Human Growth" on Monday, March 27, at Moorpark School. Parents may be accompanied by their children during the showing.

Plans were revealed for the establisment of a west side county library branch, pending the location of a convenient site.

Attendance prizes for the afternoon were won by the classes of Mrs. Evelyn Cassiday, Mars Barbara Hawkins and Jack Barrett.

Mary Price And William Smith To Graduate

Two students from Campbell will be among the 232 who will be graduated from San Jose State College at the end of the winter quarter. The class is the largest ever to be graduated from the college in March.

Students from Campbell who will receive degrees and/or teaching credentials are:

Mary Price, daughter of Mr. and Mrs. Eliphalet C. Price of Rt. 1, Box 84, Dry Creek Road, A.B. degree in commerce.

William Smith, son of Mr. and Mrs. Howard J. Smith of 101 So. Winchester Road, Bachelor of Science degree in engineering.

THE FARMER'S CORNER

By RALPH H. TAYLOR
(Executive Secretary, Agricultural Council of California).

Like the little man who some believe resides in the family refrigerator to turn the light on and off as the door opens and closes, the mischievous elf tinkering with California's kaleidoscopic political scene has been busy for months past flashing red, green and amber lighets for the benefit of those aspiring to public office.

With the June 6 Primary Election looming ever closer and the November 7 General Election to follow, however, the political pattern is taking shape—and the little elf has pretty well decided who gets the green light and who gets the red.

In the governorship fray, incumbent Earl Warren will bear the GOP standard. James Roosevelt and Welburn Mayock are scheduled to battle it out in the primary to see who will do the honors for the Democrats in the General Election.

Governor Warren has signified his intention to cross file on the Democratic ticket at the Primary Election in the hope of catching both nominations, as he did four years ago. James Roosevelt will cross file on the Republican ticket although he has announced himself as opposed to the practice, and Welburn will file only for the Democatic nomination.

As the race presently shapes up, Roosevelt has a definite edge over Mayock and probably will capture the Democratic nomination.

For Lieutenant Governor, incumbent Goodwin J. Knight will file for re-election. At present the only opposition to Knight, in his own party, is from Supervisor Raymond Darby of Los Angeles. It is questionable, however, whether Darby actually will file for the race, as Knight is felt to be sufficiently strong within his own party to be assured the Republican nomination.

On the Democratic side, Ellis Patterson of Los Angeles has announced that he is seriously considering making a try for the nomination and Senator George Miller of Contra Costa County has sent up numerous trial balloons. Dark horse Democratic candidate is Francis Dunn of Oakland. It is doubtful that Dunn will make the race, however.

In all likelihood, the lieutenant-governorship contest will find Knight emerging the winner without much difficulty, and Patterson and Miller will wage a near even fight for the Democratic nod.

For Attorney General, incumbent Fred N. Howser (not to be confused with former Lieutenant Governor, and now Judge, Frederick F. Houser) has signified his intention to run for office again. In his own party Attorney General Howser will face a stiff fight from Edward Shattuck, recently resigned chairman of the GOP State Central Committee.

Number one Democratic contender for the attorney-generalship is San Francisco's District Attorney Edmund Brown. Brown was defeated in the race for Attorney General four years ago.

Battling it out for the United States Senate in the Primary will be incumbent Sheridan Downey and Democratic Congresswoman Helen G. Douglas. Republican Congressman Richard Nixon & Judge Frederick Houser probably will tangle on the GOP ticket at the Primary Election.

Downey, a master campaigner in his own right, probably should be conceded the edge in this fight, but he will face a real battle from Congresswoman Douglas for the Democratic nomination—and if he wins at the Primary, either Houser, a proven vote getter, or Nixon, a hard hitting, youthful and aggressive campaigner, will be a force to be reckoned with at the November General Election.

In other spots, Secretary of State Frank M. Jordan should have little trouble in winning re-election. State Controller T. H. Kuchel probably will return to office without too much trouble.

Congressional and State Senate and Assembly races will round out the major election races for candidates.

Now, unless that little elf starts flicking lights all over again, the candidates can get down to the business of being elected—and the public can keep informed on what is going on from one minute to the next.

Troop 32 Collects 23,800 lbs. Paper In Recent Drive

A total of 23,800 pounds of paper was collected Saturday, March 11, by members of Troop 32, Boy Scouts, sponsored by the Campbell Methodist Church. The boys worked all day and covered most of Campbell and some districts to the south, collecting enough paper to fill one of the Nelson Bros. Trucking company's large semi-trucks.

Boys working on the paper collection included Charles Cantoni, Patrol leader, Fox Patrol, and Dick Kaufman, Richard Buck, Boyd Fair, Harold Shumway and Dick Osborne. Leaders who accompanied them were Ron Cantoni and Richard Brown, senior patrol leader. Members of the Eagle Patrol were Harold Strong, Patrol Leader; Don Carre, John Davis, John Haliwell, Ed and Pat Kelly, Jim Brand and Owen Nelson. Leaders were Earl Buck, Scoutmaster, and John Cantoni, committeeman.

Workers from the Racoon Patrol included Bill Kaufman, Patrol Leader, Richard Rice, Don Ackerman, Phillip Binley, Jerry Zisch and Eugene Sabo. The boys were accompanied by Herman Rice.

Members of the troop wish to thank the Nelson Trucking company, Herman Rice and Earl Buck for the use of their trucks during the paper drive.
